Mr. Logan Baker
Golden Rule Signs
401 West Main Street, Suite 2100
Louisville, KY 40202

Dear Mr. Baker:

It is my sincere hope that this letter serves as a testimony and tribute to the wonderful work you and your staff did for Hayfield Secondary School! Approximately a year and a half ago, Hayfield embarked on the journey of raising funds for and purchasing an electronic marquee for the front of our school. After much looking and comparing, Golden Rule Signs appeared and the rest is history!

Your price was incredible and the design chosen for the electronic marquee is bold and contemporary. Your staff, especially your construction engineer, worked tirelessly and efficiently to get our design plans squared-away and approved by Fairfax County.

Now that our marquee is up and running, we've experienced a great change in our community involvement. We now have interested individuals calling the Activities Office inquiring about upcoming events they've seen featured. We've even had community members suggest new events and ideas to project on the marquee! One of the most exciting contacts we've received is from our feeder elementary schools. They are just as excited to announce new events as we are! We've also forwarded your information to any schools or companies that have expressed interest in purchasing an electronic marquee of their own. This newly revived community involvement is one of our biggest goals within the office. We want the community to be engaged and invested in our students and their activities – and the ease with which an electronic marquee allows us to quickly interact with the community is fantastic!

The installation of the electronic marquee is motivating others within our school to “step up” and improve our facilities in new ways. It has helped build morale and enthusiasm here at Hayfield and we are excited to continue that trend!

Sincerely,

A handwritten signature in black ink that reads "E. W. Nowland III".

E. W. Nowland III, CMAA
Director of Student Activities
Hayfield Secondary School
