Logan Baker
Golden Rule Signs
401 W. Main St, Suite, 2100
Louisville, Ky 40202

Dear Logan:

Golden Rule Signs has been a great resource for our school and community. The sign is really an "Eye Catcher" when driving to see what the latest is on time, temperature and activities. The cost of the sign was very reasonable. The customer service was excellent and we received a quote with prompt service. The installers were professional and helpful throughout the process. The software is very teacher-user friendly and the Johnson Elementary family will enjoy the communication that will be presented each day.

We truly recommend Golden Rule Signs for a great communication device!

Sincerely,

Casey Lewis, Ed.D.
Principal
